

# MAINTENANCE & RECERTIFICATION

## Community Resiliency Model (CRM)<sup>®</sup>

### MAINTAINING CERTIFICATION

In order to maintain CRM Teacher Certification, CRM Teachers are asked to engage in the following:

- Conduct at least 2 CRM Workshops per year.
- Administer evaluations to all audience members for all CRM Workshops offered.
- Comply with all aspects of the Memorandum of Agreement, Ethics, and Code of Conduct.

### RECERTIFICATION

Initial CRM Teacher certification is valid for 24 months following the 6-month post-training provisional certification period (i.e., for 30 months following the 5-day CRM Teacher Training). Subsequent CRM Teacher Certification is valid for 24 months following a 3-month provisional recertification period (i.e., for 27 months following enrollment in Recertification course).

CRM Teachers should initiate the Recertification process 90 days prior to their current certification expiration. You may pay for and enroll in the Recertification Course via TRI's website.

To complete Recertification, CRM Teachers will:

- Review video and written content designed to orient CRM Teachers to updated materials and guidance for delivering CRM, new domestic and international projects and partnerships, and other important CRM-related content.
- Complete a knowledge check to ensure understanding of key CRM Concepts, skills, and recent updates.
- Submit 4 sets of Evaluations from CRM Workshops taught within the last 2 years.
- Attend one Question and Answer session with TRI Staff and/or Senior Faculty.
- Sign an updated Memorandum of Agreement.

Recertification must be completed every 2 years in order to maintain CRM Teacher status. All of these steps can be completed in the TRI Online Learning Portal.
